

Do It Now!™

## GREEN CHAIR REPRESENTATIVES

As part of the 2010 Donate Life Ohio campaign, a mix of television and radio public service announcements were developed to educate Ohioans about organ, eye and tissue donation and to drive registrations. These spots will be running throughout the state on local TV and radio stations and are included on the enclosed DVD (Note: The spots are not broadcast quality).

The spots leverage the emotional, compelling stories captured through conversations in the Donate Life Ohio Green Chair and feature prominent Ohioans and people from around the state. Below is a complete list of those featured:
